SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Java
- C++ (Intermediate)
- Data Structures
- SQL,
- Web Development-
HTML,CSS,Javascript(expert)

LANGUAGES

- English (Fluent)
- Tamil

INTERNSHIPS

- codsoft(web development)

PROFILE

Passionate Computer Science student with strong web development skills in HTML, CSS, JavaScript,. Committed to building responsive, user-focused web applications and continually learning new technologies.

EDUCATION

- | | |
|---|-----------|
| B/E Computer science and Engineering National Engineering college, kovilpatti | 2023-2027 |
| <i>current cgpa</i> 8.25 | |
| HSC 83.6% | 2021-2022 |
| Edustar International School, Kovilpatti | |

PROJECTS

Bridal Service & Workshop Management System:

Built a modern full-stack platform with an attractive UI, featuring OAuth login, JWT security, voice commands, chatbot support, smart search, pagination, Google Translator, and WhatsApp integration. It includes personalized modules like Recently Viewed and Most Recommended services to enhance user interaction. Designed for seamless, scalable, and efficient bridal service management.

Technologies Used: React, Node.js, Mysql, Express

Worked on multiple DevOps-focused micro projects using Docker and Jenkins, automating build and deployment pipelines through GitHub integration. Implemented small applications like an Expense Tracker and Student Grading System, showcasing CI/CD workflows, containerization, and efficient project delivery.

Currently developing the Placement Module in an Alumni Management System, including interactive forms, placement request workflows, and mapping of students with companies. Implementing features like application submission, approval flow, and status tracking to streamline placement-related operations. Ensuring a clean UI and smooth user experience across all placement activities.

ACHIEVEMENTS & HACKATHONS

- winner in DBMS Query Competition - Intercollegiate Event
- Winner in UI/UX Design Contest - Intra-college competition
- Python Programming,Web Development (HTML & CSS) - Completed online certification course at Great Learning
- DBMS,NLP,AI for beginners - completed courses in Infosys Spring Board
